

Circle of safety and Mutual Trust

Simon Sinek said: *'We evolved into social animals, where we lived together and worked together in what I call a circle of safety, inside the tribe, where we felt like we belonged. And when we felt safe amongst our own, the natural reaction was trust and cooperation. There are inherent benefits to this. It means I can fall asleep at night and trust that someone from within my tribe will watch for danger.'*

After I read this passage I really wanted to know whether our orphanage provide "this circle of safety inside where everyone feels like we belonged here"
